

Name \_\_\_\_\_

Choose the graph that best represents each situation. Then write at least one sentence justifying why you chose the graph.

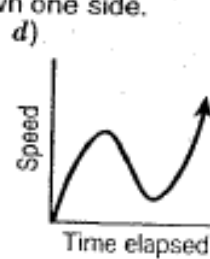

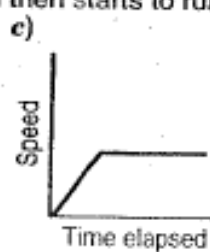

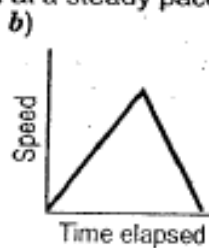

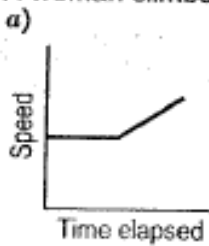

1. A train pulls into a station and lets off its passengers.

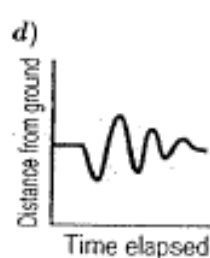

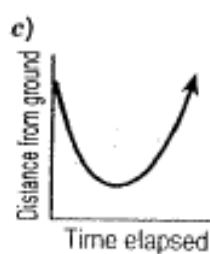

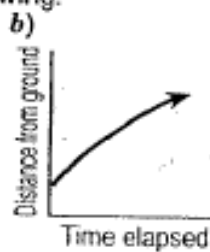

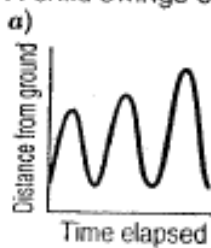

2. A man takes a ride on a ferris wheel.

3. A woman climbs a hill at a steady pace and then starts to run down one side.

4. A child swings on a swing.

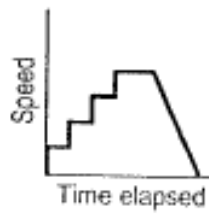

5. A child climbs up a slide and then slides down.

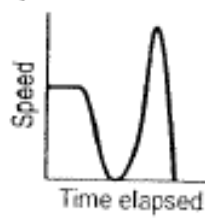

a)

b)

c)

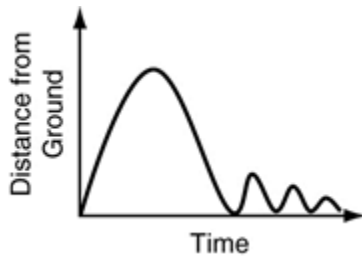

d)

Write a possible situation for each graph.

6.

7.
