

Name_____

Study for your quiz using at least **TWO** of the methods listed below. Write a reflection on each method you chose and why it was helpful for you.

- Visit **lischwe.weebly.com** and rework problems from the PowerPoints
- Teach a relative and/or friend what you learned
- Rework missed homework questions (yellow worksheet, pink worksheet, Textbook p.115, p.125)
- Make up your own problems and solve them (make sure they are appropriate difficulty)
- Find extra equation problems in the textbook and do them
- Read over and study your notes
- Come to tutoring at lunch
- Other: _____

1.

2.
