TNReady Practice Test: Reflection

Instructions: For each question, read the explanation on the answer key. Then check the appropriate box in the chart.

<u>Question</u>	I got this question correct.	I read the explanation, and I understand it well now!	I read the explanation, and it sort of makes sense but it's still difficult.	I read the explanation, and honestly, I still don't really get it. (If you check this one, ask a teacher or another student who got it!)
